

Privacy Policy

FL3XX GmbH

General

Collection, processing and use of personal data. Personal data are only collected if you disclose them to us. Otherwise, no personal data will be collected. Your personal data may be processed beyond the statutory authorization conditions only on the basis of your express authorization.

As part of the registration for our newsletter, you provide us with your email address and other optional information. We use these data solely for the purpose of sending you the newsletter. When you register for our newsletter, we store your data until you cancel your subscription to our newsletter. You can unsubscribe at any time via the link in the newsletter intended for this purpose, or by sending us the appropriate notification. By unsubscribing, you revoke the use of your email address.

Your personal data (e.g. title, name, house address, e-mail address, phone number, bank details, credit card number) are processed by us only in accordance with the provisions of European data privacy laws. The following provisions describe the type, scope and purpose of collecting, processing and utilizing personal data. This data privacy policy applies only to our web pages. If links on our pages route you to other pages, please inquire there about how your data are handled in such cases.

Specific information for the processing of customer data/prospective parties' data

Affected data: Data communicated for contract execution; if necessary, additional data for processing on the basis of your express consent.

Processing Purpose: Contract execution.

Categories of recipients: Public authorities in the event of priority legislation.

External service providers or other contractors. Other external bodies in so far as the data subject has given his consent or a transmission is permitted due to a prevailing interest.

Third-country transfers: As part of contractual execution, processors could also be used outside the European Union.

Duration of data storage: The duration of data storage depends on the statutory storage requirements and is usually no longer than 1 year.

Website Log Files

When you visit our websites, your browser transmits certain data to our web server for technical reasons. The following data are recorded during an ongoing connection for communication between your internet browser and our web server:

- Date and time of your request
- Name of the requested file
- Page from which the file was requested
- Access status (file transferred, file not found, etc.)
- Type and version of the browser and the operating system you use
- Full IP address of the requesting computer
- Quantity of data transferred

For reasons of technical security, in particular to prevent attacks on our web server, we store these data for a short period of time. It is impossible to discern the identity of individual persons based on this data. After seven days at the latest, the data is anonymized by shortening the IP address at the domain level, so that it is no longer possible to establish any reference to the individual user. The anonymized data will also be processed for statistical purposes. We don't compare any data to data in other databases or forward them to third parties, even in excerpts.

Web analysis with Google Analytics

This website uses Google Analytics, a web analysis service of Google Inc. (Google). Google Analytics uses cookies, i.e. text files stored on your computer to enable analysis of website usage by you. Information generated by the cookie about your use of this website is usually transmitted to a Google server in the United States and stored there. In case of activated IP anonymization on this website, however, your IP address is previously truncated by Google within member states of the European Union or in other states which are party to the agreement on the European Economic Area. Only in exceptional cases is a full IP address transmitted to a Google server in the United States and truncated there. On behalf this website's owner, Google will use this information to evaluate your use of the website, compile reports about website activities, and provide the website's operator with further services related to website and Internet usage. The IP address sent from your browser as part of Google Analytics is not merged with other data by Google. You can prevent storage of

cookies by appropriately setting your browser software; in this case, however, please note that you might not be able to fully use all functions offered by this website. In addition, you can prevent data generated by the cookie and relating to your use of the website (including your IP address) from being collected and processed by Google, by downloading and installing a browser plug-in from the following link: <http://tools.google.com/dlpage/gaoptout?hl=en>.

This website uses Google Analytics with the extension “anonymizeIP()”, IP addresses being truncated before further processing in order to rule out direct associations to persons.

Google Ads Conversion Tracking

This website uses Google Ads Conversion Tracking, a web analysis service of Google, Inc. (“Google”). Google Ads Conversion Tracking also uses “cookies,” which are stored on your computer and facilitate an analysis of how you use the website. The information generated by the cookie about your use of this website will be transmitted to a Google server in the USA and stored there. Google will use this information to evaluate your use of the website, to compile reports on website activity for website operators, and to provide other services related to website use and Internet use. Google will also transmit this information to third parties, where applicable, if this is required by law or to the extent third parties process this data on behalf of Google. Google will not link this data with other Google data under any circumstances. You can prevent the use of cookies in general if you disallow the storage of cookies on your browser.

Information about cookies

1. To optimize our web presence, we use cookies. These are small text files stored in your computer’s main memory. These cookies are deleted after you close the browser. Other cookies remain on your computer (long-term cookies) and permit its recognition on your next visit. This allows us to improve your access to our site.
2. You can prevent storage of cookies by choosing a “disable cookies” option in your browser settings. But this can limit the functionality of our Internet offers as a result.
